Cycle 3 – Lochmaben – Lockerbie end-to-end

Description:

Route 3 - Distance 11.38 kilometres - 82 metres of ascent / 52 metres descent

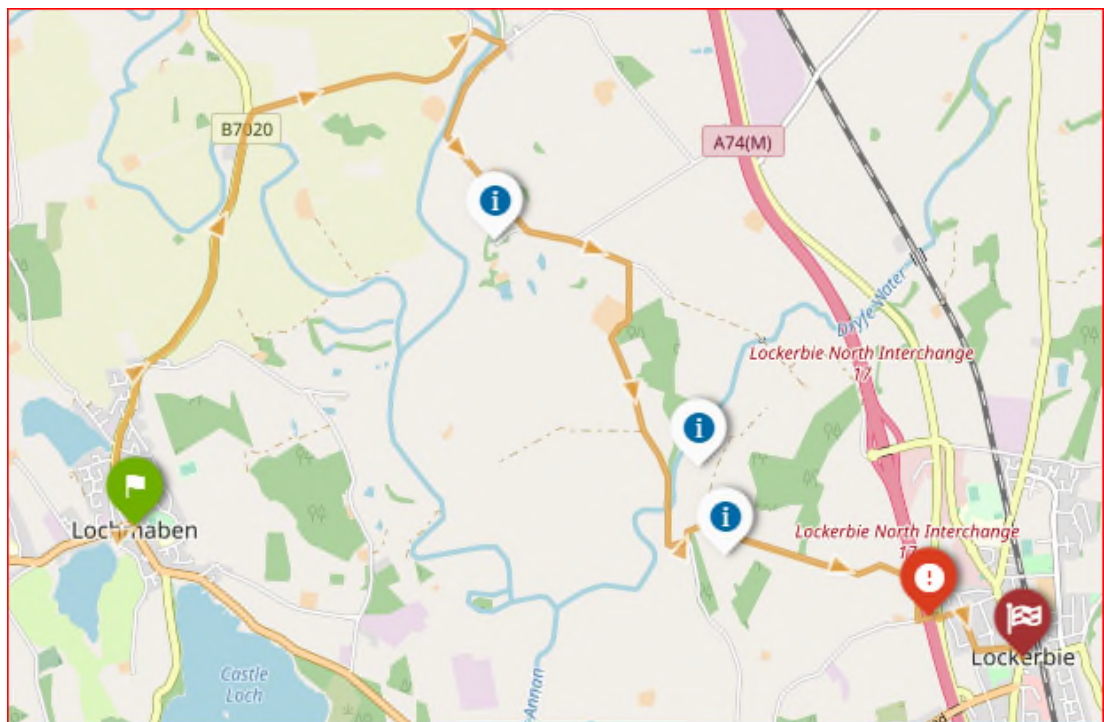

From the **Town Hall** head north on **Queen Street** to **Townhead** and through the **Barras** to **Marjoriebanks**, continue on the **B7020** road until you cross **Kinnel Bridge** where you turn right signposted for **Millhousebridge**, once you reach the bridge cross it and take the first right where you should pass a bus shelter on your right.

Continue on this road for about 6 kilometres, passing **Applegarth Church** until the road turns sharp right - *do not go straight on the road is closed*, there is also a fingerpost for the **Annandale Way** at this junction.

Head south until you cross a metal bridge over the **Water of Dryfe** and after a sharp left bend bear left and go uphill past **Dryfesdale Gate Farm** - follow this road till it comes to a 'T' junction next to the **A74(M) Motorway**, turn left and cross the **B7076 All Purpose Route** (you can join **Sustrans route 74** here) - watch for fast traffic on this road.

Push your bike through the gap at the side of the gate opposite and slightly to the right of the junction into **Leonard Terrace**.

Turn second right into **Ashgrove Terrace**, left into **Victoria Road** and at the end turn right into **High Street** where you will see the **Town Hall** on the left, journeys end.
