Community Centre damage to items during repairs

Council property services has been asked to help with damage to items in the Community Centre during the repairs to support community groups and users.

Heritage Bruce Statue clean-up request

Seeking a commitment from Council to get the statue cleaned for the 750th birthday of Robert the Bruce in 2024. Awaiting a response from Architectural Services.

Road Defects reported at various locations using dumgal.gov.uk reporting system

Also reported road defects at U746A Church Crescent, Lochmaben to Roads team.

Bruce Street and Princes St Junction after incident as at 20231128

Have asked for review of the parking management at Princes St junction on to A709. Roads team replied that they have “received no reports from bus service operating companies, Council waste services or Police Scotland regarding inconsiderate/illegal parking at this junction, therefore based on this desktop assessment, there is no requirement for waiting restrictions to be considered.”

Lockerbie Lochmaben active travel path

Amey Consultancy will be working with LLCAG to develop a feasibility study (stage 0-2) for a multi-modal path from Dumfries to Lockerbie via Lochmaben. This project is being funded by SWestrans but led by LLCAG. If the feasibility studies come back positive and have the support of the community then Swestrans will look to fund stage 3-4 Planning and Design (Technical) to help make the project “shovel ready” so LLCAG/DGC/SWestrans can then look at applying for construction costs from Transport Scotland.

23/2313/FUL Planning Application
